Aafia's lawyers to file appeal against sentence

Siddiqui was sentenced on seven counts in a federal court in Manhattan on September 23, 2010, and is serving an 86-year sentence.

Her court-appointed lawyer Dawn Cardi says the 'multifaceted' appeal will challenge the "court's decision, the several legal issues with the trial, the introduction of evidence as well as how Siddiqui was allowed to testify given what we believe was her diminished capacity."

Less than a month after the sentencing, Siddiqui fired her lawyers and waived her right to an appeal. Siddiqui wrote that she had fired her five lawyers and would be represented by Farha Ahmed, a Texas-based attorney. Ahmed declined to speak to The Express Tribune about Siddiqui.

... and is that organization itself another Muslim Brotherhood Front ?
